

Dear Friend,

I'm a conservative Republican. That may be dirty word in some circles. As far as I'm concerned, I believe it's just what America and the great Commonwealth of Virginia needs.

You see, I believe that a bloated and out of control government is anathema to a free and prosperous society. It's what I've fought against for my entire elected time of service.

You've heard the horror stories about the inefficiencies of bad government policy and its ridiculous spending habits.

I have and I WILL continue to fight and oppose wasteful and irresponsible spending everywhere it exists!

I serve as your member of the Virginia House of Delegates for the 25th District. I've been proud to be your legislator working hard for the values we all share.

My call as a public servant has and continues to be **SERVICE, EXPERIENCE, RESULTS**. It's who I am. It's what I do.

This election cycle I need your help more than ever before. I have a liberal Democrat opponent who is going to be funded from outside the district. Dozens of liberal special interest groups will fill her war chest and work to defeat me.

She will do everything she can to distort my conservative voting record - my record of attacking wasteful spending and passing common sense legislation.

But with your help, I will stand firm and work hard, mobilizing grassroots and financial supporters like you across the district.

Would you be so generous and contribute to my re-election bid? Your gift of \$50, \$100, \$250, or possibly \$500 or \$1000 will bolster my campaign and assure that we drive back my liberal opponent and assure a victory on November 3!

Consider the alternative:

- Taxes and regulation skyrocket
- Attacks on our property rights
- Assaults of our right to keep and bear arms
- Abolition of laws protecting innocent life and abortion anytime for any reason

These are just a few of the issues we will face if my opponent is elected

Please join and further support Steve Landes for re-election.

Just this past session I worked for a budget that

- spends \$1 Billion LESS than the previous budget
- Eliminates \$11.7 Million in Fees
- Eliminates \$33 Million in Debt
- Sets aside \$129.5 Million for the Rainy Day Fund
- Does not expand Obamacare's Medicaid expansion

In addition, we can never forget our Veterans who kept this Nation free and without threat from foreign hostility. I've gone out of my way to make sure that Veterans get the assistance they truly deserve and are not neglected in any way. What has happened to our Vets nationally is simply a travesty.

I've also been a stalwart advocate for the freedom of Education choice and Charter Schools. Competition at some level is good for all including education.

As a husband and a father, I've always stood in the gap for the unborn opposing abortion on demand. It is the innocent among us that the government should protect.

Protecting our Senior Citizens from fraud, abuse and neglect is also high on my list of priorities. Those who have come before us deserve the respect of those behind them. They build the foundation and stood for the freedoms that we all enjoy.

I can't emphasize how important it is to me to keep these positive changes to our state government moving in the right direction.

Campaigns are expensive and this will be one of the toughest in years.

Won't you donate to my campaign today? Without you, it simply won't happen.

Please rush back to my campaign the enclosed reply form. It also has other opportunities to help in how to volunteer for my re-election campaign.

Thanks so much for your help in advance! It gives me great comfort and confidence to hear from you.

Sincerely,

Steve Landes

P.S. Hearing from you TODAY will go a long way to assuring a victory for common-sense conservative values. Thanks in advance for your help.
